

Tuesday 17th September

Dear Year 6 Parents/Carers,

I hope this letter finds you well. Whilst it is only September, the school year typically flies by and, before we know it, we will be preparing for our Year 6 students to transition to Key Stage 3. While the end of the year is still some time away, we believe it is important to start these conversations now to ensure everything is well-organised and that the children and their families are fully prepared for what will be a memorable farewell.

We have already spoken with the children about their ideas for end-of-year activities, and they have expressed interest in a few specific things. Their current requests include:

- A McDonald's lunch
- Fort building as a fun, creative activity
- An external enrichment activity such as biking - TBC
- The Year 6 leavers' assembly at the church
- A farewell assembly at school

We know that in previous years, Year 6 leavers have also enjoyed an external enrichment activity, such as a school disco or an off-site trip, such as to Gravity. With this in mind, we are extending this opportunity to you to speak with your child about any additional ideas they may have. This can be a chance for you to discuss their hopes and expectations in a more personal setting, outside of their classroom environment.

While we are open to considering all suggestions, please be aware that we cannot promise that every idea will be fulfilled. However, we will certainly take all thoughts and requests into consideration to make the end of the year as special as possible for the children.

We kindly ask that you have these conversations with your child over the coming weeks and share any additional ideas with us by Monday 30th September via the [office-cantley@coastaltogether.co.uk](mailto:office-cantley@coastaltogether.co.uk) email address. This will allow us to factor in all possibilities and ensure that we have enough time to organise a fitting celebration for our Year 6 students.

Kind regards,

Mrs Kathryn Andrews  
Head of School
